

**Reconstructionist Rabbinical Association**  
**RESOLUTION**

**ELLIOT SKIDDELL**

1982

Whereas Elliot Skiddell was pressed into service as president of the RRA last year but a year out of the RRC, and

Whereas he has moved our organization forward during his first term conscientiously and with vision,

Be it resolved that the membership of the RRA expresses its profound gratitude for Elliot's untiring efforts on our behalf and on behalf of the Reconstructionist movement.
