

**Reconstructionist Rabbinical Association
RESOLUTION**

ERA

1982

Whereas as Reconstructionists and Americans the RRA affirms as a basic tenet the full equality of women and me,

And whereas the ratification deadline of the ERA expires on June 30, 1982.

And full equality of rights under the law regardless of sex is not now a guaranteed right under the Constitution of the United States.

The RRA resolves to give full support to the Equal Rights Amendment and its passage.
