The RRA, assembled in convention in Philadelphia, January 14, 1981, 9 Shevat 5741 proudly congratulates Rabbi Mordecai Menachem Kaplan on his centennial year and wishes him ad meah v'esrim shanah. At this milestone in Reconstructionist history, we pledge to continue our work with the Jewish Reconstructionist Foundation and the Jewish Reconstructionist Congregations and Havurot to give Dr. Kaplan's message a wider audience and to actively assist in providing the Reconstructionist movement with a proper financial base.
