**MOURNING THE VICTIMS OF VIOLENCE AND SUPPORTING THE ANTI-TERRORISM SUMMIT**

1996

The Reconstructionist Rabbinical Association joins the State of Israel and world Jewry in mourning the death of the victims of recent acts of terrorism in the land of Israel.

We denounce the violence, decry the senseless loss of life and stand in solidarity with the families of the victims.

We support the efforts of the government of Prime Minister Shimon Peres to continue the work begun by Prime Minister Yitzhak Rabin, z'l to stand firm in the fight against terror and resolute in the struggle for peace.

We call upon Chairman Yassir Arafat to do everything within their power to control the violence and to delegitimize the efforts of Hamas and other terrorist groups and the nations that promote and sponsor their bloody cause.

We commend President Bill Clinton and President Hosnei Mubarak for hosting the anti-terrorist summit which will take place on Wednesday, March 13<sup>th</sup> in Egypt. We pray for the success of the conference and for the coming of the day when "Nation shall not lift up sword against nation and peoples will not learn of war anymore."
