

**Reconstructionist Rabbinical Association  
RESOLUTION**

**IN TRIBUTE TO RABBI IVAN CAINE**

1988

Whereas Rabbi Ivan Caine served as a member of the faculty of the Reconstructionist Rabbinical College from its inception and influenced its students and the wider college community for nearly two decades;

Whereas his teaching of biblical text and civilization and his linguistic instruction in his inimitable style remain forever a part of the intellectual and emotional "apperceptive mass" of his students;

Whereas he has served as a "faculty member" of the Reconstructionist Rabbinical Association since the early years of the Association, providing guidance, wisdom and direction to its members;

Therefore be it resolved that the Reconstructionist Rabbinical Association express its indebtedness, affinity and affection to Rabbi Ivan Caine. We wish him, his beloved wife, Deborah, and their sons, continued health and success in their professional and personal endeavors. We look forward to his continuing involvement in our activities and fellowship.
